The TRANSYSALL **istabul** is based on a strong development in last years for STAS, LLC USA and has the "solution and financial tools in place" to have the Strongest, Fastest and Affordable Guerilla Marketing Global Plan.

The project is based on "eBusiness Secured and Guaranteed turnkey solution" that has a fully Global approach of the actual needs of the financial markets that covers the development of its world divisions, to get into Green Projects, E-Government solutions, and our Q Digital Currency

The Project is looking to attract Partners as Governments, Corporations and the High-Net-Worth-Individuals in search for solution to secure the future investments in this volatile market based on our Q Digital Currency first one back-up by gold, and gold sovereign bearer bonds.

## 1. Assumptions

- Istanbul will RE-become the WORLD COMM&FIN CENTER in next years
- the BEST ROUTE for supplying Russia is from Istanbul over the Sea and Air
- over 1000 companies in Russia are out of solutions for supplying their needs
- the global market face the impossibilities of future payments as it use to be ( like SWIFT, VISA, MASTERCARD, WIRE, and more)
- we OWN STAS NETWORK PLATFORM that can develop the Q coin
- we can connect and develop the full list of Marketers and Suppliers in NEED
- we WILL GUARNTTEE THE FINANCING of the project by Issuing STAS CBC and GBC

## 2. What WE NEED in ISTANBUL

- Partners that can help us with the following:
  - \* connection with a bank to offer us a BIN and the credit to develop and integrate the STAS NETWORK PLATFORM
  - \* Partners with set up relations and businesses in Port and Airport for our need for Warehouses, logistics and fleet!
  - \* Partners with relations in the designated Marketeers countries, and route to them
  - \* REAL, CONCRET and EFFECTIVE RESOURCES FOR IMMIDIATE LAUNCH OF THE PROJECT
  - \* We will start a NEW COMPANY ( a Corp.)TRANSYSALL and for that we need intial funds, offices, legal and BD
    - WE have to determine the initial capital- we are suggested to be at least \$100M - that has to be checked
    - The budget for the Integration of STAS NETWORK PLATFORM and development of the Q coin - Min \$100M
    - We have to develop our own fleet of small ships and planes - Min 2 ships and two planes - Min - \$100M

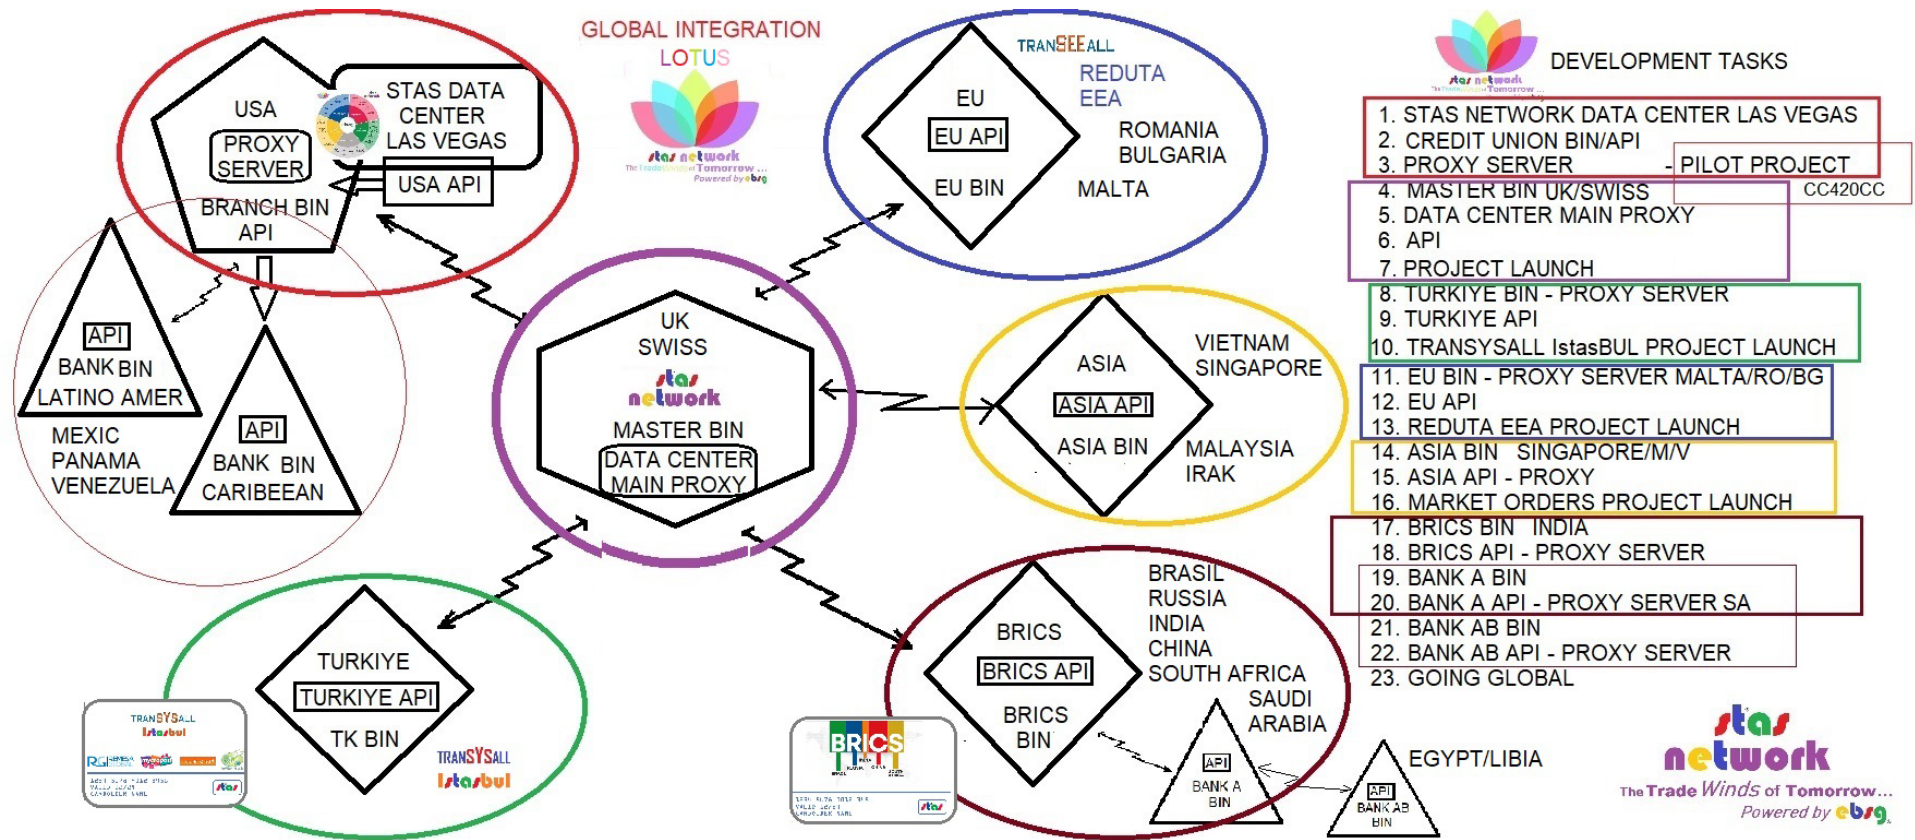

## 3. POTENTIAL BUSINESSE VOLUME IN 2022-2025

- in terms of hundreds of millions of dollars equivalent! That's why we need a STRONG BANK, and STRONG Partners with cash or ASSETS Guarantees.
- The initial budget we are looking for ia a minimmm \$100M as a Line of Credit from a Bank that will be Guaranteed

TRANSYSALL LOTUS IstasBUL will be the biggest New Open Market Platform which will be using our Q Digital Currency back-up by gold, for all future transaction in and out so ALL Participants to the platform wi;; have all their transactions back-up by us!

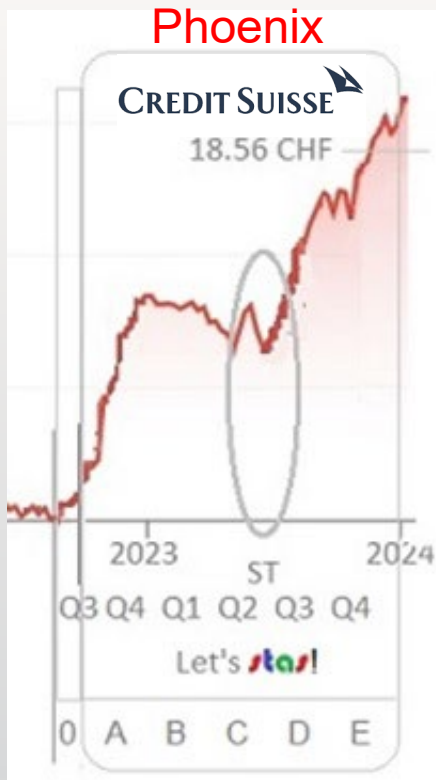

# TRANSYSALL LOTUS GO GLOBAL

**NOTE:** The “core” of **TRANSYSALL** is to get a 1<sup>st</sup> BIN in the USA ( thru a Credit Union), and integrate **stas** network, then prepare the EU BIN in Malta and **IstasBUL**, prepare the LOTUS for CREDIT SUISSE, and start working on the future offer for the **BRICS** API

**LOTUS „stas network“ Platform**
